passes 7-12.

season, called the
same way every time.

Card stock or clear
packing tape lasts
a full season.

Put one on EVERY
player in flag -
no-huddle offense
doubles your snaps.

Suggested system: 1-6 runs (green), 7-12 passes (blue). Add a color word only when you need a second signal, like flipping the play to the opposite side. Twelve plays everyone knows cold beat thirty nobody remembers.

Draw the plays themselves in the Coach's Playbook on your My-Team Sports team site — then print clean diagrams so every kid sees their route while the wristband calls the number.
